Registration is now open for the 25th Coastal Cardiac & Vascular Conference.

Click Here to Register!

Participants may register through the TidalHealth CloudCME portal via the link below: 25th Coastal Cardiac & Vascular Conference Registration

Please note that all participants must have a CloudCME profile in order to register and receive CME credit. If you do not already have a profile, you will need to create one prior to completing your registration.

Participants will also need to download the CloudCME mobile app and pair their mobile device/phone number with their CloudCME account. This will allow you to record attendance during the conference and ensure your CME credit is properly captured.

A step-by-step instruction guide is attached and includes directions for:

· Creating a CloudCME profile

· Downloading and signing into the CloudCME app

· Pairing your mobile device/phone number with your account

· Recording attendance

Once your profile has been created, log in to the TidalHealth CloudCME portal and search for "25th Coastal Cardiac & Vascular Conference" to access the activity and complete your registration.

We encourage you to complete these steps in advance to help ensure a smooth registration and attendance process on the day of the conference.

If you have any questions regarding registration or CloudCME, please contact the TidalHealth CME Office at CME@tidalhealth.org

You're invited!
